DEVELOPMENT SECRETARIAT

Passes orders regarding the constitution of a Board of Management, Government Electric Factory, Bangalore.

READ—

Government Order No. D. 2656-2700—I. & C. 234-44-2, dated the 26th October 1944, constituting a Board of Management for Industrial Concerns.

2. Government Order No. 3509-30—I. & C. 234-44-26, dated the 8th November 1945, approving a set of rules for the disposal of business of the Board of Management for Industrial Concerns.

ORDER No. D. 3082-6—I. & C. 57-48-5, DATED BANGALORE, THE 23RD NOVEMBER 1948.

The Government Electric Factory is now under the control and management of the Board of Management for Industrial Concerns, the Director of Industries and Commerce in Mysore being in the administrative charge. There has been an all round increase in the work of this concern and this is next in importance to the Mysore Iron and Steel Works, Bhadravati. The experience so far gained reveals that there is a real necessity to have a Board (with a limited personnel) exclusively for this Factory, in the interest of quick despatch of work.

2. With this end in view, proposals were called for, for the better management of this concern. This change over was also considered desirable, particularly in view of the development schemes already sanctioned. The proposals were further discussed with the Director of Industries and Commerce, the Chief Electrical Engineer, the Development Secretary, the General Manager, Government Electric Factory, who

agreed that such a step was necessary. On a full consideration of the matter, Government are pleased to sanction the constitution of a Board of Management comprising of the following members:—

- (1) The Director of Industries and Commerce in Mysore (*Chairman*).
- (2) The Chief Electrical Engineer in Mysore.
- (3) The Development Secretary and two non-officials to be nominated by Government.
- (4) One Secretary.

They are further pleased to appoint Sri T. Hanumaiah, M.Sc., Amildar, now Food Assistant to the Deputy Commissioner, Hassan, as Secretary for the Government Electric Factory. He will also be the Secretary to the Board of Management now constituted.

The Director of Industries and Commerce will send up proposals regarding the powers to be delegated to this Board, pending issue of such orders, the Board now constituted may exercise the powers that has been already delegated to the Board of Management for Industrial Concerns.
